The Origin
(　　)

Throughout the *past* several hundred year*s*, Taiwan gave birth to very many national heroe*s*. In attempt*s* to *p*rotect, defend and building Taiwan, they *s*uffered *s*uppre*ss*ion*s* and death*s* from colonial power*s*, and were all mi*s*repre*s*ented a*s* bandit*s*, traitor*s*, and violent agitator*s*. Pre*s*ently, they have obtained Enlightenment and heavenly *p*osition, becoming cele*s*tial force Who turn*s* the Dharmic Wheel, guarding and ble*ss*ing Taiwan’*s* children and children’*s* children to *s*trive toward*s* liberty, lawfulne*ss* and democracy’*s* *p*ath, until Taiwan fulfill*s* the *p*rideful de*s*tiny of becoming one of the greate*s*t democratic *s*tate*s* in the world.

As the colonial *p*ower e*s*tabli*s*hed in Taiwan the *s*o-called Diongliedsuu, and a*s* Ja*p*an dome*s*tically e*s*tabli*s*hed the *s*o-called Ya*s*ukuni Jin*j*a, for the *p*ur*p*o*s*e of dee*p*ening and *p*lanting our national *s*pirit, the Taiwane*s*e *p*eo*p*le *s*hall devoutly wor*s*hi*p* the Taiwane*s*e Martyred *Spirits*. In order to remember and re*s*pect their *s*acrifice, contribution to, and great love for Taiwan, the children and children’*s* children of Our country, Taiwan, *s*hall wor*s*hi*p* Them in every hou*s*ehold and *s*hall *p*ray for the Taiwane*s*e *Spirits* to heavenly ble*ss* our country and *p*eo*p*le to *p*er*p*etual glory and *p*ro*s*perity.

Taiwane*s*e *p*eo*p*le wor*s*hi*p*ing the Taiwane*s*e Divinitie*s*, *s*uch i*s* an immutable truth. Taiwane*s*e *p*eo*p*le mu*s*t, with a humble heart and a *s*incere *s*oul, loyally follow their Predece*ss*or*s*’ *s*pirit*s* of *p*rotecting Taiwan, guarding Taiwan, and nation building, a*s* well a*s* to inherit and *p*er*p*etuate *s*uch Heavenly Duty *s*o a*s* to *s*trive from life to death for democratic nation-building in Taiwan. Only then can we en*s*ure our de*s*cendant*s*’ unending vitality and eliminate the great cataclysm of ethnic extinction.
