

Chapter 10: Postlogue  
(第十章 : 後序)

The Taiwanese Martyred Spirits are the earthly rooted Bodhisattvas of Taiwan, as well as the Messiahs whom the Lord sends to humanity. Because of their dedication to planting democracy and human rights in Taiwan, they were sacrificed. Yet, in response to the fortune and prosperity of Taiwanese people and their future generations, they shall be with you once more. Thus, for those who are willing to recognize and concur with Taiwan, cultivate and uphold this Scripture, and vow to be with Taiwan from peace to chaos, life to death; shall naturally possess an indestructible strength, and shall absolutely be protected and blessed. Please solemnly record in your heart.
