

Prayer
(迴向文)

Chanting and practicing build achievements. Spreading the Dharma accumulates virtues. Guiding and salvaging the lost ones to early awareness and early realization. For the nation-building of Taiwan, its time has come. Our children and children's children shall follow and take up democratic nation-building, human rights and liberty; and to live perpetually with Heaven's Mandate. The spirit of the February 28th Movement shall always be with Taiwan; shall always be with you.
